Website and Unsolicited Materials Policies

Website Accessibility Policy -

(1) The Government of Clay County, Missouri* is committed to providing access to our web pages for the largest possible audience. We are committed to making our content available to individuals and organizations that are unable, for whatever reason, to access our regular rich internet based content, especially people with disabilities and people and organizations with non-flash-compliant Internet browsers.

(2) To meet this commitment, our goal is to attempt to **voluntarily** comply with requirements of Section 508 of the Rehabilitation Act Amendments of 1998, and Level 1.0 Accessibility Guidelines proposed by World Wide Web Consortium (W3C), and to provide a text-based alternative to our rich internet content that is accessible for everyone.

Website Disclaimer Policy -

(1) The Government of Clay County, Missouri makes no representations, guarantees, or warranties, expressed or implied, as to the accuracy, completeness, content, currency, suitability, and timeliness of the information provided via this website. This information is provided on an "as is" basis.

(2) Clay County reserves the right to make changes to all documents presented within the context of its web site (claycogov.com) at any time, at its discretion, in accordance with the laws and ordinances, procedures and regulations that pertain to such changes.

(3) The Government of Clay County, Missouri specifically disclaims any and all liability for any claims or damages that may result from providing the website or the information it contains, including any websites maintained by third parties and linked to or from the Clay County Missouri Government website. The Government of Clay County, Missouri makes no effort to independently verify, and does not exert editorial control over, information or services provided on pages outside the claycogov.com domain.

(4) In those cases where third-party software needs to be installed and executed on computer systems belonging to members of the public, in order to display and review the web site or the information it contains, no claim of ownership of this third-party software is made by the Government of Clay County, Missouri. The Government of Clay County, Missouri specifically disclaims any and all liability for any claims or damages that may result from the installation and use of this third-party software, or its failure to install or run on any particular computer system. The Government of Clay County, Missouri, acknowledges all trademarks, patents, copyrights, and license agreements pertaining to said third-party software.

(5) Clay County Missouri Government does not endorse any of the products, vendors, consultants, or documentation referenced in this website. Any mention of vendors, products, or services is for informational purposes only.

* For purposes of these policies, the Government of Clay County, Missouri means the Clay County Commission, and those Elected Officeholders who have chosen to participate in this web site as their primary means of representation on the Internet.

Mapping/GIS Disclaimer-

(1) The maps, documents, and GIS/mapping related web pages and all other information presented within the context of the claycogov.com web site are the sole property of Clay County, Missouri. They are being made available for public use without any kind of warranty, express or implied, of correctness, currency, completeness, or fitness for any particular purpose. The documents are provided as a public service and may not be reproduced without prior written permission from the Clay County Commission.

(2) The maps presented on the Clay County web site (claycogov.com) are compiled and derived from official records such as plats, surveys and recorded deeds. They are not official records, and do not reflect official statements. The only documents suitable to answer legal and survey questions, or settle legal claims, are the plats, surveys, deeds, and other documents officially recorded with Clay County.

(3) The Website Disclaimer Policy as stated above is in full effect for the documents stated in paragraph (1).

(4) In the case that maps, documents, and GIS/mapping related data and/or other information is being made available through the Clay County Assessor's Office, additional conditions, fees, regulations and disclaimers may apply. These conditions, fees, regulations and disclaimers may be reviewed on the Clay County Assessor's web site.

Commission Disclaimer-

(1) The Commission of Clay County, Missouri specifically states that all data and other content pertaining to, made available by or representing the Elected Officeholders of Clay County, other than the County Commission itself, is provided at the sole discretion and responsibility of the respective Elected Officeholders.

Website Linking Policy -

(1) The information posted on the Clay County Missouri Government website includes hypertext links or pointers to information created and maintained by other public and/or private organizations. The Government of Clay County, Missouri provides these links and pointers solely for our users' information and convenience. The inclusion of links on this website should not be construed as an endorsement by the Clay County Missouri Government of those links or their contents. When users select a link to an outside website, they are leaving the Clay County Missouri Government site and are subject to the privacy and security policies of the owners/sponsors of the outside website.

Website Privacy Policy -

(1) The Government of Clay County, Missouri is using logging and profiling tools to gather information about each visit to our web site. We process this information in the aggregate to determine site performance issues, such as popular pages, most frequently downloaded forms, and other site performance characteristics. This information does not identify users personally. We do not track or record information about individuals and their visits.

* For purposes of these policies, the Government of Clay County, Missouri means the Clay County Commission, and those Elected Officeholders who have chosen to participate in this web site as their primary means of representation on the Internet.

Website Security Policy -

(1) We attempt to ensure that the Clay County Missouri Government website remains available to all users by employing software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage.

Unsolicited Materials Policy -

(1) Any person or entity providing material to the County via the internet, on an unsolicited basis and without any contract or agreement to the contrary, will be subject to the following regulations and provisions. Material provided to the County in the following formats or of the following types is subject to the provisions and regulations set forth herein:

1. Text, in either printed or electronic form;
2. Images, provided on photographic paper, prints, or by electronic means;
3. Audible material contained in audio and data CD's, compact cassettes or any other audio format;
4. Movies, videos or other multimedial content on multimedia CD's, DVD's, or video compact cassettes such as VHS.

(2) UNLESS OTHERWISE ACKNOWLEDGED AND AGREED TO IN WRITING BY CLAY COUNTY, by providing material to the County, the sender warrants, declares, agrees to and states the following:

1. The material is free from claims of any type by any third party with regard to copyright, trademark, exclusive rights, confidentiality, or any other type of claim or right;
2. The sender will indemnify and hold Clay County harmless for any and all damages incurred by Clay County as a result of its publication or use of the material;
3. The sender grants a non-exclusive right to Clay County to publish the provided material;
4. The sender grants ownership rights to Clay County of the copies of the materials sent to Clay County; and
5. Clay County will not return any materials to the sender.
